HANDLES MASSIVE PAYLOADS WITH EASE

The 96"x20"x48" tall box can handle a big load combined with the 45° dump angle will have no issue off-loading the load either

DUAL TIRES FOR WORRY-FREE HAULING

The dual tires, combined with the standard spare help ensure you don't get stuck or stopped by what ever the road throws at you.

EQUIPMENT READY

Standard with 4 D-rings to secure equipment and available ramps, this trailer is ready to get your heavy equipment to the big job.

EFFORTLESS MAINTENANCE

Our forward self-adjusting brakes make brake maintenance a breeze. The system automatically adjusts the brake shoes as they wear down, eliminating the need for manual adjustments.
